Our Well-Traveled Girls

Carolyn Gragowski

Last summer for eight weeks Carolyn Gragowski, a senior, represented Marysville High School in Finland. She stayed with Mr. and Mrs. Salo and her Finnish "sister" Leena. She also had a married "brother" Timo and a married "sister" Virpi. Carolyn lived in a modern home on the outskirts of Pori, which is the fourth largest city in Finland.

The biggest problem Carolyn encountered was the language barrier. Her Finnish parents and brother could not speak English, though fortunately her sisters could.

Carolyn spent part of her visit touring the lower part of Finland. When she and her sister weren't traveling, they passed the time going to dances, walking, and shopping in Pori.

Carolyn enjoyed her summer there immensely, and she understood the Finnish people better.

This year Marysville High was fortunate to have Barbara Sproll as an exchange student. Barb's American parents were Mr. and Mrs. Albert Hoag, and her sister was senior Mary Hoag.

Barb is from Thun, Switzerland, which she described as an average Swiss town with old-fashioned homes and an old castle. She has three brothers and two sisters in Switzerland, all older than she is.

The biggest surprises in Marysville were the big cars, the flat land, and the amount of meat served at meals. She also found that the teen-agers weren't as wild as she had expected.

Barb has two years of secondary schooling yet because her year in Marysville doesn't count. Barb said that she was very glad for the opportunity to live here because everyone in Marysville was so friendly.

Girls Participate in Intramural Sports

The girls' field hockey team played two games. Although defeated, they did a fine job under the direction of Miss Babcock.

This year the girls' soccer team played a game against Cros-Lex. Scoring the only goal in the last period, Marysville won the game 1-0.

Synchronized swimming is a new girls' sport this year. Team members do water acrobatics to music. This year they presented a performance: Aquatic Extravaganza.

Girls' basketball has been very active this year, playing quite a few games with competing schools. They also had a weekly workout in the gym.

This year's freshman football team played hard and really showed their good team spirit. Although they only succeeded in winning 2 out of 7 games, they demonstrated their good potential. They finished the season with a win over Marine City, who only a week before had defeated them, which showed what the team was capable of doing.

Cross Country Runs for Miles

Captain of this year's cross country team was junior, Dan Starkey.

Since Marysville does not belong to a league for cross country, they ran non-league meets against such schools as Capac, Memphis, and Oxford.

George Marsden, a freshman, ran in the regionals against 140 other athletes and placed 11th; in running against 90 other athletes (mostly seniors) in state finals, he placed 32nd.

Hold high the torch
you did not light its glow

Twas given you from other
hands you know

Tis only yours to keep it
burning bright

For there are other feet
that you must guide

and other forms go marching
by your side

Some day in turn they'll
lift it high and say,

I watched another carry
it this way.

Doug,

Well it's going to be hard to say the right thing, but I guess I'll just have to try. (Seriously now) You're really a great guy that I'm just getting to know better. You're a good student and athlete & I know you'll go a long way during your life. There will be obstacles during your knowing each other, but I know we can pull through it were honest with each other. Keep your chin up with everything you do.

Luv ya

Sue

Doug
We had a riot
cutting you down
this year. Just don't let
it bother, We got one more
year to cut you down. If anyone is
cool is the sophomore class it's us. But
I think you're pretty cool yourself.
Stay cool, stay in shape, stay out of trouble and
Good luck.
Proof.

Doug,
Hi, I could
say a bunch of lies
but don't think I can
think right now. All I
can say is you don't seem like
a sophomore, Maybe because
don't act like one. (you've
been nice having you for a friend and
hope you are around next year because
MHS need guys like you. Be good
you can't be good be careful
name it after me. (Just kidding) you can't
may God Bless you always.

Lots of Luck
